SUBMISSION OF FORM PTO-1449

In the Official Action dated February 10, 2004, the Examiner requested Applicant to provide a full copy of the publication entitled "4R100 Transmission Theory & Operation", which is referred to in the specification of the present patent application. As discussed in the specification, this publication describes the structure and operation of the "4R100" automotive transmission. The claims in the present application are directed to the methods for modifying the "4R100 factory installed transmission" to improve the efficiency and operation thereof.

I hereby certify that this correspondence is
being deposited with the United States Postal Service
as first class mail in an envelope addressed to
Commissioner for Patents, P.O. Box 1450, Alexandria,
VA 22313-1450, on the date indicated below.

(Date of Deposit)

A copy of this publication was enclosed with the Request for Reconsideration, filed by Applicant on April 21, 2004.

At paragraph 1 of the Official Action dated July 14, 2004, the Examiner indicated that he has received and reviewed the publication, but Applicant had not provided an Information Disclosure Statement (Form PTO-1449) listing the publication so that the Examiner can initial and date it to formally cite the publication of record in connection with this patent application.

Enclosed is Form PTO-1449 identifying the previously submitted publication. Applicant respectfully requests that the publication now be formally cited of record in connection with this patent application.

Respectfully submitted,
